

## ◆ **Model 1: Self-Management with Active MAP-Consulting**

Your capital stays with you – we provide know-how, strategy, and ongoing support.

This model is designed for those who want to invest independently but value professional and experienced guidance.

### 🎯 **Target Group**

People who want to invest in cryptocurrencies on their own responsibility

Clients who prefer to keep full control over their funds

Individuals seeking attractive returns while maintaining complete oversight

### 💡 **How It Works:**

#### **1. Personalized Consultation:**

- Analysis of your financial situation, risk tolerance, and goals
- Recommendations for proven digital assets & platforms

#### **2. Independent Investment:**

- You invest through your own wallet/accounts (e.g., Binance, Kraken)
- Setup and operation with our guidance

#### **3. Ongoing Support & Monitoring:**

- We provide market-based insights (e.g., when to buy/sell)
- Regular status reports upon request

#### **4. Performance-Based Compensation:**

- Fair commission only upon success, starting at 5% of realized profits
- Alternatively, flat fee or hybrid model

#### **5. Full Transparency:**

- No hidden fees
- No transfer of capital required

✓ **Your Benefits at a Glance:**

- Security:** Your capital remains with you
- Transparency:** Every step is explained clearly
- Flexibility:** Entry and exit possible at any time
- Knowledge Gain:** Learn how modern financial systems work
- Performance:** Potential returns of 5% to 25% per year

🔒 **Trust Through Experience:**
